LR 31

SENATOR CUDABACK: The committee amendments are adopted to LB 411. Debate on the bill itself? Senator Coordsen.

SENATOR COORDSEN: Thank you, Mr. President, members of the body. As we explained, the committee amendments add a provision that I think is a necessary provision to allow for proper administration of small homes in adjoining communities where, to do something else, would drive up the daily costs of the residents there. The only thing I wanted to mention, in addition to the opening, is that this bill is supported by the Association of Hospital and Health Systems, the Nebraska Health Care Association, the Nebraska Association of Homes and Services for the Aging, the Nebraska Health Care Association, the Licensed Practical Nurse Association of Nebraska, and there were no opponents to the bill. With that, Mr. President, I would move for the advancement of LB 411.

SENATOR CUDABACK: Any further debate on LB 411? Seeing none, Senator Coordsen, to close on LB 411. He waives closing. All those in favor of LB 411 advancing vote aye; those opposed vote nay. Have you all voted? Record, Mr. Clerk.

ASSISTANT CLERK: 28 ayes, 0 nays on the motion to advance the bill, Mr. President.

SENATOR CUDABACK: The bill is advanced. Announcements, Mr. Clerk.
